

"The Briar Patch"

The Briarlea's "Who, What, When, Where, and Why"

A COLD DAY AT THE ORCHARD!

We rolled into Fall with a trip to the Apple Orchard... it was chilly, but everyone enjoyed the wagon ride followed by home made apple pie and tea inside the restaurant! Fresh air is always good!

BEAUTIFUL FALL DRIVE

SPOOKY GOOD TIME

We got ready for Halloween by decorating pumpkins and preparing treat bags for our visitors. The residents, along with many local daycares, enjoyed our haunted house! Only 2 kids cried, so we feel quite accomplished! Barb and Ernie even dressed up as RN Annie and Dr. Pierre... It was PRICELESS!!

WE WILL REMEMBER!

The Briarlea held our annual Remembrance Day Ceremony to recognize those brave men and woman who fought for the freedom we enjoy today. The combination of heartfelt tributes, readings, and the participation from our local veteran and cadets made the ceremony very special. A sincere thank you to everyone for your participation.
